**CLLR NG TOLASHE  
EXECUTIVE MAYOR**

### **EXECUTIVE MAYOR'S EASTER MESSAGE**

Time for Easter has come, On behalf of Enoch Mgijima Local Municipality I would like to wish all residents a happy Easter, a safe and relaxing break. Easter is a perfect opportunity to bring families and friends together and even attend church services, it symbolizes the renewal of life and it teaches us the meaning of faith and what it is to feel the Lord's blessing in our lives.

Easter reflects on peace and forgiveness and I urge people of Enoch Mgijima to embrace the spirit of forgiveness and unity towards building a society that is free of racism, Let us treat one another equally regardless of our race, colour and religious beliefs.

I wish all members of our communities who will be travelling to various places during the weekend to travel safe and take extra care on our roads which are busy at this time of the year and we ask them to pray for our country, we urge all motorists to obey the rules of the road and to be patient and alert at all times.

As citizens let us help one another to fight the problem of drug and alcohol abuse as it is the primary cause of accidents on our roads affecting pedestrians as well.

Let us not forget to go and vote on the **8<sup>th</sup> of May 2019** so that we can be able to change our country for the better.

Let this Easter be a joyous one, let us find the renewal of hope, health, love and the spirit of God and let us prepare ourselves to be worthy of the risen Christ.....**HAPPY EASTER**
